Dear Messrs. Bowe and Gladwell:

On behalf of the Director of the Division, John Hughes, I would like to express our extreme satisfaction with the quality of the dredges we have purchased from your company. Over the last 15+ years we have operated a Model 970 and two Model 370s. They, and your company, continue to provide us with reliable, quality service.

I know I speak for John when I say that the feelings and opinions he expressed in his 1986 letter, regarding Ellicott, its people and its products, remains unchanged.

Sincerely,

Robert D. Henry
